

HALLOWEEN PUNCH

Ingredients:

(serves 6-12)

3 cups cranberry raspberry juice
3 cups Hawaiian punch (or similar)
1 12-ounce can Dr. Pepper
1 16-ounce bottle ginger ale
For the "hand":
1 extra cup cranberry raspberry juice
1 powder-free latex glove.

Directions:

Fill the powder-free latex glove with cranberry raspberry juice. Use a rubber band to tie closed. Freeze at least 6 hours or overnight. (I hung the glove, using a chip bag clip) on the door side of my freezer, fingers pointing down.

Chill all the rest of the ingredients.

When ready to serve, combine all the liquids. Remove the "hand" from the freezer. Set into the middle of the bowl, curved side up. If desired, cut and peel off the glove, though warning: a finger or two might fall off.

Bubbly fun!
